

Vinculando a Conta do Facebook

Ao acessarmos o Painel Administrativo, selecionamos a opção "Lojas" na lateral esquerda e em seguida "Setup" em Facebook:

The screenshot displays the administrative dashboard interface. On the left, a dark sidebar menu is titled "Lojas" and contains various configuration options. The "Lojas" menu item is highlighted with a red box and a red arrow pointing to it. In the main content area, the "Facebook" section is visible, with the "Setup" option highlighted by a red box and a red arrow pointing to it. The dashboard also features a search bar, a notification bell, and a user profile icon in the top right corner. Below the main content area, there is a chart showing data over time, with a red line representing the data series. The chart has a white background and a dark border. The x-axis is labeled with time intervals: 23:00, 02:00, 05:00, 08:00, and 11:00. The y-axis is labeled with "Receita" and "Taxa". The chart also includes a "Frete" label and a "Quantidade" label. A "Recarregar dados" button is located in the top right corner of the chart area. A blue button labeled "Ir para Relatórios Avançados" is also visible.
