

Criando uma nova Categoria

Para a criação de uma nova categoria, é necessário ir em Catalogo e em seguida em Categoria:

The screenshot shows the OpenCart dashboard interface. On the left, a dark navigation sidebar is visible with the following items: Dashboard, Catalog, Categories, Products, Recurring Profiles, Filters, Attributes, Options, Manufacturers, Downloads, Reviews, Information, Extensions, Design, Sales, Customers, Marketing, System, and Reports. The 'Catalog' and 'Categories' items are highlighted with a red box, and a red arrow points from the 'Categories' item to the 'TOTAL ORDERS' widget on the dashboard.

The main dashboard area is titled 'Dashboard' and contains several widgets:

- TOTAL ORDERS:** 1 (0% change)
- TOTAL SALES:** 106 (0% change)
- TOTAL CUSTOMERS:** 0 (0% change)
- PEOPLE ONLINE:** 0

Below these widgets are a 'World Map' and a 'Sales Analytics' chart. The 'Sales Analytics' chart shows a line graph for 'Orders' and 'Customers' over a 31-day period. The 'Orders' line is at 1.0 and the 'Customers' line is at 0.0.

At the bottom, there are two tables:

- Recent Activity:** No results!
- Latest Orders:**

Order ID	Customer	Status	Date Added	Total	Action
1	ALmir Teste	Pending	07/07/2022	\$106.00	

At the bottom of the dashboard, there is a footer with the text: OpenCart © 2009-2022 All Rights Reserved. Version 3.0.3.8.

Após isso basta clicar no sinal de "+" para adicionar uma nova categoria:
